Re: Smith v. Artus, 07-Civ-9261 (SCR) (LMS)

Dear Hon. Madam;

Per Your Honor's Order, dated November 26, 2007, I have been given thirty (30) days to file a reply (traverse) to the Respondent's Answer in Opposition after Respondent's filing of said answer. Respondent had been given an extension until April 11th to do so, whereat Petitioner received a copy on April 14th.

Petitioner respectfully asks that Your Honor grant him an extension of time to file his reply (traverse) to Respondent's answer, so that Petitioner's time be delayed to May 30, 2008. This request is due to complications in Sanitary law library accommodation, especially where I have been informed that it will not be until Monday, April 28, 2008, that I would be placed on this facility's law library callout for court deadlines.

cc: Janet D. Fiore, Westchester County
 District Attorney

Sincerely,

 Aurel Smith #0246279
